

**Emergency Financial Aid Grants to Students Under the  
Coronavirus Response and Relief Appropriations Act  
2021**

**APPLICATION FOR A STUDENT EMERGENCY RELIEF GRANT II**

The federal stimulus legislation known as the Coronavirus Response & Relief Supplemental Appropriations Act 2021 (“CRRSAA”), Public Law 116-260, signed into law by the President on December 27, 2020, includes funds for financial aid grants to students. Specifically, CRRSAA established the Higher Education Emergency Relief Fund II (“HEERF-II”), under which the U.S. Department of Education has allocated formula grant funds to institutions for their students.

NETTTS has received an allocation of these funds from ED. Therefore, NETTTS is making emergency financial aid grants available to students of our institution, which grants may be used for a component of the student’s cost of attendance<sup>1</sup> or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care (“CRRSAA Permitted Costs”)

This application permits students to apply for these need-based grants. Along with this application, NETTTS uses data from the Free Application for Federal Student Aid (FAFSA), to determine the appropriate grant amount based on your financial circumstances. If you submit this application to NETTTS and also have file a FAFSA, NETTTS has the information to determine the amount of HEERF-II grant you will receive. However, if you have not filed a FAFSA, you should contact the financial aid office at NETTTS as soon as possible so they can assist you.

Campus administration will use the information you provide here to determine your eligibility for a grant. Each student will be eligible for only one grant, and only one application will be considered per student. Please fill out this information neatly and completely and provide it to your campus in person.

**CRITERIA FOR ELIGIBILITY**

1. Students must have been enrolled in one of NETTTS’ Title IV approved programs (CDL600 or HVACR Technology).
2. Student must have been registered as “Active” status between December 27, 2020 and April 16, 2021.
3. Student must be a U.S. citizen or a qualified alien.<sup>2</sup>
4. Student must complete the Application and present to the NETTTS financial aid office.

<sup>1</sup>The “cost of attendance” is an estimated budget of student educational expenses for enrollment at NETTTS. For full-time students this includes allowances for tuition and fees, room and board, books and supplies, transportation, technology required for enrollment, dependent care (for students with dependents), one-time professional license or certificate costs, expenses related to a student’s disability, and education loan fees.

<sup>2</sup>The term “qualified alien” is defined at U.S.C. section 1641, and includes lawful permanent residents, refugees, and persons granted asylum.
